2026

About AARSHNIK

Aarshnik Industries Private Limited (AIPL) is a trusted name in stainless steel and metal fabrication, delivering high-quality products for domestic and global markets.
Passionately Driven by innovation and modern technology.
We align our manufacturing according to international design and Quality Standards.
Out Strong focus on continual improvement, transparency and Zero-defect production.
AIPL believes in teamwork, long term mutual business relations and people-centric values.
Backed by decades of experience and an advanced manufacturing facilities.
We consistently create reliable world-class metal solutions from concept to reality.

We the AIPL Team is YOUNG with 45+yrs Experience in Steel and Fabrication.

- We have taken up the Challenge to produce NATO / NCB USA Standard “Ammo Can” in India under the **“Make in India Initiative”**.
- We are confident as the LION of Make in India is proving it’s steel to the World so does we.
- We are the 2nd Generation Entrepreneur With the Legacy to know the Steel Fabrication better.
- Serving the World (Export) with other Steel Products for 28+yrs, we are now Focused on developing world class, Globally compliant defense products for Armed Forces.

MAKE IN INDIA

Our History

1st Generation Founder and Inspiration Late Shri Hanuman Dass Aggarwal 1950~2007, Laid the foundation stone

- Founded in 1972 ➡ Started trading business of utensils under the name "Hanuman Bartan Bhandar“.
- We took the leap to start our manufacturing facility after understanding the customer’s need and taste in 1980 in Delhi – the Capital of India.
- All processes required to transform designs through to the finished products were integrated under one roof (It was an unprecedented move in the industry at the time).
- More recently, our manufacturing facilities have also undergone major expansion with new ultra-modern plant at Sonipat Haryana and have made remarkable growth in the International and Domestic market.

Promoters Background;

AIPL's YOUNG Promoters are 2nd Generation Entrepreneur

Mr. Dinesh Kumar Aggarwal - MD 44yrs

- A young Delhite acquired his Commerce Graduate degree from Delhi University in 2001
- He is fortunate to get an opportunity to learn the Business from his father as an "OJT" (On Job Training), which make him STRONG in understanding and managing the Business well.
- He holds good relation with Govt. Agencies, Domestic and International Buyers and Business Associations.

Mrs. Shweta Aggarwal – Director 41yrs

- A young Delhite acquired her Post Graduation degree from Delhi University
- Her upbringing and grooming has happened in a Business Family to learn and understand the Family Business, which makes her perfect to be a **"Women Entrepreneur"**.
- She is Associated in Day to Day Business and manage the HR and Accounts Dept. to enable MD to FOCUS on Production and Business Development.

Our Vision

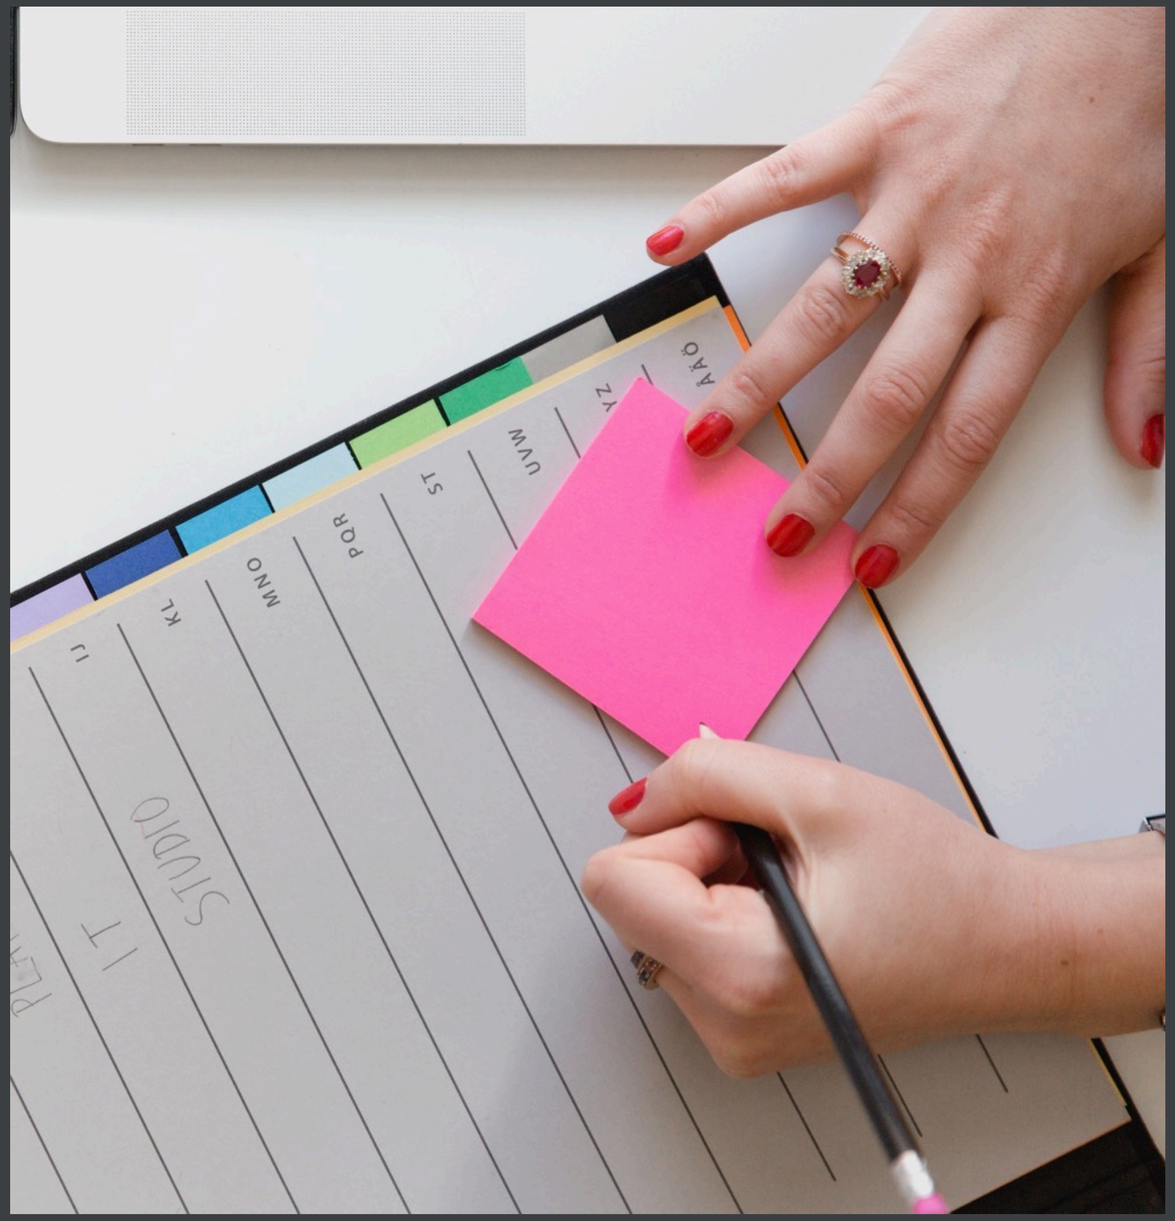

Innovation, Quality, and Leadership

“TEAMWORK IS THE FUEL THAT ALLOW COMMON PEOPLE TO ACHIEVE UNCOMMON RESULTS”

At Aarshnik Industries Private Limited (AIPL), our vision is to be a Globally recognized leader in stainless steel and sheet metal fabrication by delivering innovative, high-quality, and sustainable solutions.

We aim to set new industry benchmarks through advanced technology, Zero-defect manufacturing, and a strong commitment to customer satisfaction, while fostering teamwork, transparency, and long-term partnerships.

Aarshnik is committed to pioneering innovative solutions, ensuring exceptional quality and establishing a strong global presence in metal artistry, enhancing lives through superior houseware products.

Our Promise to World

Strong R&D to meet the NATO / NCB USA STANDARD.
AIPL-Mission is to Deliver the Quality Product at Large Scale.

We are NATO/NCB USA Registered Company.

- We strongly believe in Continual Improvement Process to make “The Superior Products” to delight the Customers.
- Besides the Ammunition Storage Solution and allied products, we have strong presence in the Overseas Market for Utensils, Pet ware, Hotel ware made of Steel, Aluminum, Copper and any other Ferrous / Non-Ferrous metals.
- AIPL has developed the Strong SCM to procure the Raw Material to minimize the potential risk.

Client Commitment

What Our Clients Say

At AIPL, we believe in building long-term partnerships rather than short-term transactions.

Our commitment extends beyond delivery, ensuring continued support, reliability, and value addition for our clients.

On-time delivery and consistent communication are our core priorities for every project.

We ensure strict quality control and continuous improvement throughout the manufacturing process.

Building long-term, trust-based relationships with our clients remains our highest commitment.

Join Us on OUR JOURNEY

LET’S CREATE A BETTER WORLD

“AARSHNIK word is derived from the fusion of the Promoter’s 3rd Generation being groomed to take the leap to take the business to new heights.”
